25X1 Dear

First of all, it was nice to see you and Ann even briefly during the reunion activities. Wish there had been more time to visit.

25X1 Second, we have looked at  He has an impressive background and is obviously a very dedicated individual. We have had knowledge of him and his potential previously. At this point we don't have any opportunity that would be attractive to him but we will certainly keep him in mind. I appreciate the opportunity to have reviewed his case. Nonetheless, in this business we have to look at every prospect carefully.

Again thanks and all the best.

Yours,
